Distance: approx 1.2 miles / 2 Km

Time: approx 30 mins

Hinchliffe Arms to Robin Hood (0.6 miles, 15 mins)

From the **Hinchliffe Arms**, head towards the church, cross the bridge then turn immediate left towards an open yard. Follow the track to the right of the yard, until it reaches a boundary fence and a field.

Go through the gate and follow the track along the field, following the course of the river. You eventually reach a gate with a squeeze gap to the side of it.

Go through the gap, ignore the option across the bridge to your left, and follow the tarmac lane for around 10 yards until you see a set of steps going down to your left. Take these steps and follow the track, beside the old mill weir and pond, until it turns right, and leads to some steps leading back to the tarmac lane.

Turn left and follow the lane until it meets the main road. Turn left and follow the road for around 150 yards to find the **Robin Hood Inn** on your right.

Robin Hood to Hinchliffe Arms (0.6 miles, 15 mins)

From the **Robin Hood**, head up the main road for around 150 yards until you see a fork to the right and a narrow lane. Follow this lane, passing some stone properties and the remains of a former mill and the water courses which once provided the power to the mill.

Continue along until you reach the lovely arched stone bridge that crosses the river. Cross the bridge and there's a waymarker for a public footpath on your left which takes you up and through the woods.

Follow this path, as it rises high above the river to your left, and follow the track as it descends, through a pair of stone gateposts and weaves it way through the woods, past the tennis courts, and finally emerges at the side of the **Hinchliffe Arms**.
